

# MIL-M-AIDS MISSION STATEMENT

## MIL-M-AIDS

Is a charitable benefit bowling tournament that was started in 1985 in response to the AIDS crisis. This annual tournament alternates locations between Milwaukee and Madison with all proceeds going to AIDS Organizations in the host city.

Organized by a board of volunteer directors, and subsidized entirely by donations, this tournament is in no way affiliated with any business, or particular organization.

Too often we lose sight of the real reason we support benefits like Mil-M-Aids. We are all here to help those persons living with AIDS who are truly in need. No other consideration can be more important than that.
